2002 **SUMMER** Computer Camp

FOR KIDS ages 8-16

**FULL DAY CAMP IN JULY
MINI-SESSIONS IN JULY & AUGUST**

Both experienced computer users & beginners can enjoy exciting computer applications at the GRCC downtown campus. There are exciting options for every child...from games to programming and web page design. We even created a session just for GIRLS! Experienced and certified teachers from GRCC and area schools will provide fun and appropriate activities with supervision at all times.

In the Applied Technology Center

Grand Rapids Community College is an equal opportunity institution.
